FRIDAY APRIL 16, 2010, 7-9:30 PM

Film: "THE COVE" (90 min, Louie Psihoyos, 2009)

With Scott West from Sea Shepherd.

Academy Award Winner for Best Documentary of 2009, THE COVE follows an elite team of activists, filmmakers and freedivers as they embark on a covert mission to penetrate a remote and hidden cove in Taiji, Japan, shining a light on a dark and deadly secret. Utilizing state-of-the-art techniques, including hidden microphones and cameras in fake rocks, the team uncovers how this small seaside village serves as a horrifying microcosm of massive ecological crimes happening worldwide. The result is a provocative mix of investigative journalism, eco-adventure and arresting imagery, adding up to an unforgettable story that has inspired audiences worldwide to action.

Scott West will join us this evening to answer questions and bring us "the latest" on the current situation faced by dolphins and other sea mammals. (Event is FREE and open to the public! ...but Donations are kindly accepted).

FRIDAY APRIL 30, 2010, 7-9:30 PM

Film: "PRAY THE DEVIL BACK TO HELL" (72 min, Gini Reticker, 2009)

With Susan Partnow from Global Citizen Journey.

PRAY THE DEVIL BACK TO HELL exposes the recent, but largely forgotten story, of the women of Liberia uniting to bring the end to their nation's civil war. Despite their religious differences, and using entirely nonviolent methods, they forced the stalled peace talks in their country to move forward. Not only were the peace talks successful, but Charles Taylor, the president of Liberia, was forced into exile, leading to the first election of a female head of state in Africa. **Join us for a facilitated discussion following the film with Susan Partnow.** (Event is FREE and open to the public! ...but Donations are kindly accepted).
