With **SUSAN PARTNOW**  
Founder and Director of  
**GLOBAL CITIZEN JOURNEY**

## Pray The Devil Back To Hell

(72 min, Abigail E. Disney & Gini Reticker, 2009)

PRAY THE DEVIL BACK TO HELL exposes the recent, but largely forgotten story, of the women of Liberia uniting to bring the end to their nation's civil war. Despite their religious differences, and using entirely nonviolent methods, they forced the stalled peace talks in their country to move forward. Not only were the peace talks successful, but Charles Taylor, the president of Liberia, was forced into exile, leading to the first election of a female head of state in Africa.

Please join us for a facilitated discussion following the film with Susan Partnow, who is just back from Liberia in an effort to lay the groundwork for GCJ's Liberia Peacebuilder Initiative.
