From producer MORGAN SPURLOCK (*Super Size Me*), *What Would Jesus Buy?* examines the commercialization of Christmas in America while following Reverend Billy and The Church of Stop Shopping Gospel Choir on a cross-country mission to save Christmas from the **SHOPOCALYPSE**. Rev. Billy's epic journey takes us to chilling exorcisms at Wal-Mart headquarters, to retail interventions at the Mall of America, and all the way to the Promised Land on Christmas Day. *The Stop Shopping* mission reminds us that even though we may be hypnotized and consumerized, we still have a chance to save ourselves this Christmas.
